To the Honorable Board and Ms. Carlson,

The Petitioners and Patent Owner have reached an agreement in principle, settling all litigation regarding the patent at issue in IPR2021-00591, and that litigation is now stayed pending final settlement. Once the final agreement is signed in the next few weeks, the parties anticipate seeking authorization to file a motion to terminate this IPR in its entirety. Accordingly, Petitioners withdraw their request for an oral hearing, which we believe obviates the need to select an in-person or remote hearing format.

Counsel for Patent Owner is copied on this communication and is in agreement.

Best regards,

Brian Cook

Counsel for Petitioners

### [EXTERNAL MESSAGE]

Counsel,

The scheduling order in this proceeding provided that the final hearing, if requested by either party, would take place at USPTO Headquarters in Alexandria, Virginia. Petitioner has now requested a hearing.

In light of the USPTO re-opening, the hearing in this proceeding may be conducted in person in this location or virtually by video conference. Please inform the Board by email to [Trials@uspto.gov](mailto:Trials@uspto.gov), no later than June 14, whether the parties would prefer either a video hearing or an in-person hearing. To the extent the parties disagree, they should meet and confer before emailing the Board; if the dispute cannot be resolved by meeting and conferring, the parties should inform the Board of each party's individual preferences. PTAB will only conduct an in-person hearing when requested by all parties.

For the parties' information in making this decision, two judges will appear remotely by video, and to the extent the parties prefer an in-person hearing, one judge will appear in-person

from USPTO Headquarters in Alexandria.
