To the Honorable Board:

Petitioner requests leave to file a 5-page reply to each of Patent Owner's Preliminary Responses, to address the arguments that Patent Owner presented regarding § 314(a) discretionary denial, and to affirmatively stipulate that, if this IPR is instituted, Petitioner will not assert in Western District of Texas Case No. 6:20-cv-01131-ADA any ground of invalidity presented in this IPR. Petitioner consents to the submission of a 5-page sur-reply by Patent Owner.

Petitioner has conferred with Patent Owner, and Patent Owner indicated that it opposes Petitioner's request. The parties are available at the following dates/times to the extent the Board would like to conduct a teleconference:

September 7: 9:30 am – 12:30 pm and after 3 pm  
September 8: 9:30 am – 10:30 am and after 3 pm  
September 9: 9:30 am – 3 pm.

Respectfully submitted,  
E.S.L.

Eric S. Lucas
