**PETITIONER'S REQUEST FOR ORAL ARGUMENT**

Pursuant to 37 C.F.R. § 42.70 and the Board’s Scheduling Order dated November 1, 2021 (Paper No. 18), Petitioner Microsoft Corporation (“Petitioner”) requests Oral Argument on issues related to the patentability of claims 15-25 of U.S. Patent No. 8,671,132.

Petitioner requests to present arguments on the following issues:

- All grounds on which trial was instituted, including all issues raised by the parties’ papers;
- Any issue raised by either party in a motion to exclude (if any), objections to demonstrative exhibits (if any), or any other motion or paper filed by either party before oral argument;
- Rebuttal to any issue raised by either party in its presentation at the oral argument; and
- Any additional issue on which the Board seeks clarification.

In the Scheduling Order, the Board scheduled Oral Argument for July 28, 2022. Petitioner respectfully proposes that each side be provided 45 minutes of argument time, inclusive of any rebuttal time reserved at the hearing.

Petitioner also respectfully requests the ability to use audio-visual equipment to display demonstratives and exhibits, including the use of a computer, a projector, an overhead projector (“Elmo”), and a screen.

To the extent the Oral Argument is conducted remotely by video or telephone, Petitioner respectfully requests permission to file its demonstratives with the Board and to refer to its demonstratives during argument.
