History of Changes for Study: NCT01012973

Vascular Endothelial Growth Factor (VEGF) Trap-Eye: Investigation of Efficacy and Safety i Vein Occlusion (CRVO)

<u>Latest version (submitted October 27, 2014) on ClinicalTrials.gov</u>

- · A study version is represented by a row in the table.
- Select two study versions to compare. One each from columns A and B.
- Choose either the "Merged" or "Side-by-Side" comparison format to specify how the two study versions are to be displayed. The Side-lapplies to the Protocol section of the study.
- Click "Compare" to do the comparison and show the differences.
- Select a version's Submitted Date link to see a rendering of the study for that version.
- The yellow A/B choices in the table indicate the study versions currently compared below. A yellow table row indicates the study version
- Hover over the "Recruitment Status" to see how the study's recruitment status changed.
- Study edits or deletions are displayed in red.
- Study additions are displayed in green.

Study NCT01012973

Submitted Date: November 12, 2009 (v1)

Study Identification

Unique Protocol ID: 14130

Brief Title: Vascular Endothelial Growth Factor (VEGF) Trap-Eye: Investigation of Efficacy and

Retinal Vein Occlusion (CRVO)

Official Title: A Randomized, Double-masked, Sham-controlled Phase 3 Study of the Efficacy, Sa

of Repeated Intravitreal Administration of VEGF Trap-Eye in Subjects With Maculai

to Central Retinal Vein Occlusion (CRVO)

Secondary IDs: EudraCT: 2009-010973-19

GALILEO

Study Status

Record Verification: November 2009

Overall Status: Recruiting

Study Start: October 2009

https://clinicaltrials.gov/ct2/history/NCT01012973?A=1&B=1&C=merged#StudyPageTop

CRVO

VEGF Trap-Eye

best-corrected visual acuity

Study Design

Study Type: Interventional

Primary Purpose: Treatment

Study Phase: Phase 3

Interventional Study Model: Parallel Assignment

Number of Arms: 2

Masking: Triple (Participant, Investigator, Outcomes Assessor)

Allocation: Randomized

Enrollment: 165 [Anticipated]

Arms and Interventions

Arms	Assigned Interventions
Experimental: Arm 1	Drug: VEGF Trap-Eye (BAY86-5321) Intravitreal injection. Weeks 0 to 20 injection Eye every 4 weeks; weeks 24 to 48 every assessment and either (PRN) injection of sham injection; weeks 52 to 100 safety for
Sham Comparator: Arm 2	Sham treatment Sham treatment. Weeks 0 to 20 sham treatments, weeks; weeks 24 to 48 every 4 weeks resham injection; weeks 52 to 100 safety for

Outcome Measures

Primary Outcome Measures:

1. The proportion of subjects who gain at least 15 letters in BCVA on the EDTRS chart compared with baseline

DOCKET

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
