Dear Honorable Board,

Petitioner respectfully requests authorization to submit a five-page supplemental brief to respond to the collateral estoppel arguments raised in Patent Owner's preliminary responses in the subject IPRs and to allow Patent Owner to submit a five-page brief in response. Patent Owner indicated that it

does not oppose. If the Board wishes, the parties are available for a call anytime next Tuesday, September 21, 2021 or Thursday, September 23, 2021 to discuss their positions.

Regards,  
Christina
