

DECLARATION OF JACOB ROBERT MUNFORD

1. My name is Jacob Robert Munford. I am over the age of 18, have personal knowledge of the facts set forth herein, and am competent to testify to the same.

2. I earned a Master of Library and Information Science (MLIS) from the University of Wisconsin-Milwaukee in 2009. I have over ten years of experience in the library/information science field. Beginning in 2004, I have served in various positions in the public library sector including Assistant Librarian, Youth Services Librarian and Library Director. I have attached my Curriculum Vitae as Appendix CV.

3. During my career in the library profession, I have been responsible for materials acquisition for multiple libraries. In that position, I have cataloged, purchased and processed incoming library works. That includes purchasing materials directly from vendors, recording publishing data from the material in question, creating detailed material records for library catalogs and physically preparing that material for circulation. In addition to my experience in acquisitions, I was also responsible for analyzing large collections of library materials, tailoring library records for optimal catalog

search performance and creating lending agreements between libraries during my time as a Library Director.

4. I am fully familiar with the catalog record creation process in the library sector. In preparing a material for public availability, a library catalog record describing that material would be created. These records are typically written in Machine Readable Catalog (herein referred to as “MARC”) code and contain information such as a physical description of the material, metadata from the material’s publisher, and date of library acquisition. In particular, the 008 field of the MARC record is reserved for denoting the date of creation of the library record itself. As this typically occurs during the process of preparing materials for public access, it is my experience that an item’s MARC record indicates the date of an item’s public availability.

5. Typically, in creating a MARC record, a librarian would gather various bits of metadata such as book title, publisher and subject headings among others and assign each value to a relevant numerical field. For example, a book’s physical description is tracked in field 300 while title/attribution is tracked in field 245. The 008 field of the MARC record is reserved for denoting the creation of the library record itself. As this is the only date reflecting the inclusion of said materials within the library’s collection, it is my experience

that an item's 008 field accurately indicates the date of an item's public availability.

6. This declaration is being drafted as of June 2021. Public and university libraries in my area have been closed for months due to the COVID-19 pandemic. In my experience, library catalog records are accurate descriptions of a library's collection and my lack of physical access to libraries at this time creates no doubt in my determinations of authenticity or availability of the exhibits noted below.
7. I have reviewed Exhibit 1006, "Signal Quality and Data Fusion for False Alarm Reduction in the Intensive Care Unit" by Q. Li and G.D. Clifford as published in *Journal of Electrocardiology* November/December 2012.
8. Attached hereto as Appendix LI01 is a true and correct copy of the MARC record for *Journal of Electrocardiology* as held by the Carnegie-Mellon University library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix CMU01 accurately describes the title, author, publisher, and ISSN number of *Journal of Electrocardiology*. The 'Location Items' field of this record visible on page 2 indicates this collection includes the November/December 2012 edition of

Journal of Electrocardiology containing “Signal Quality and Data Fusion for False Alarm Reduction in the Intensive Care Unit”.

9. Attached hereto as Appendix LI02 is a true and correct copy of the MARC record for *Journal of Electrocardiology* as held by the University of Pittsburgh library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix LI02 accurately describes the title, author, publisher, and ISSN number of *Journal of Electrocardiology*. The ‘Availability’ field of this record visible on page 3 indicates this collection includes the November/December 2012 edition of *Journal of Electrocardiology* containing “Signal Quality and Data Fusion for False Alarm Reduction in the Intensive Care Unit”.

10. In comparing Exhibit 1006 to Appendices LI01 and LI02, it is my determination that Exhibit 1006 is a true and correct copy of “Signal Quality and Data Fusion for False Alarm Reduction in the Intensive Care Unit” by Q. Li and G.D. Clifford as published in *Journal of Electrocardiology* November/December 2012.

11. The 008 field of each MARC record in Appendices LI01 and LI02 indicates the date of record creation. The 008 field of Appendix LI01 indicates the

Carnegie-Mellon University library first acquired this journal as of December 7, 2000 and still holds the journal in perpetuity. The 008 field of Appendix LI02 indicates the University of Pittsburgh library first acquired this journal as of November 16, 2001 and still holds the journal in perpetuity. Considering this information, it is my determination that *Journal of Electrocardiology* November/December 2012 and therefore “Signal Quality and Data Fusion for False Alarm Reduction in the Intensive Care Unit” by Q. Li and G.D. Clifford was made available to the public shortly after its initial release in Winter 2012.

12.I have reviewed Exhibit 1011, “Atrial Fibrillation Detection Using a Smart Phone” by J. Lee, B.A. Reyes, D.D. McManus, O Mathias and KH Chon as published in *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012*.

13.Attached hereto as Appendix LEE01 is a true and correct copy of the MARC record for *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012* as held by the Rochester Institute of Technology library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix LEE01 accurately describes the title, author, publisher, and ISBN number of *Annual*

International Conference of the IEEE Engineering in Medicine and Biology Society 2012.

14. Attached hereto as Appendix LEE02 is a true and correct copy of the MARC record for *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012* as held by the Virginia Commonwealth University library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix LEE02 accurately describes the title, author, publisher, and ISBN number of *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012*.

15. In comparing Exhibit 1011 to Appendices LEE01 and LEE02, it is my determination that Exhibit 1011 is a true and correct copy of "Atrial Fibrillation Detection Using a Smart Phone" by J. Lee, B.A. Reyes, D.D. McManus, O Mathias and KH Chon as published in *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012*.

16. The 008 field of each MARC record in Appendices LEE01 and LEE02 indicates the date of record creation. The 008 field of Appendix LEE01 indicates the Rochester Institute of Technology library first acquired this

proceeding as of December 12, 2012. The 008 field of Appendix LEE02 indicates the Virginia Commonwealth University library first acquired this proceeding as of August 29, 2016. Considering this information, it is my determination that *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2012* and therefore “Atrial Fibrillation Detection Using a Smart Phone” by J. Lee, B.A. Reyes, D.D. McManus, O Mathias and KH Chon was made available to the public at least by Winter 2012.

17.I have reviewed Exhibit 1012, “Automatic Arrhythmia Detection Based on Time and Time-Frequency Analysis of Heart Rate Variability” by M.G. Tsipouras and D.I. Fotiadis as published in *Computer Methods and Programs in Biomedicine* May 2004.

18.Attached hereto as Appendix TSIPOURAS01 is a true and correct copy of the MARC record for *Computer Methods and Programs in Biomedicine* as held by the Carnegie-Mellon University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix TSIPOURAS01 accurately describes the title, author, publisher, and ISSN number of *Computer Methods and Programs in Biomedicine*. The ‘Full Text Availability’ field of this record visible on page 2 indicates this

collection includes the May 2004 edition of *Computer Methods and Programs in Biomedicine* containing “Automatic Arrhythmia Detection Based on Time and Time-Frequency Analysis of Heart Rate Variability”.

19. Attached hereto as Appendix TSIPOURAS02 is a true and correct copy of the MARC record for *Computer Methods and Programs in Biomedicine* as held by the University of Pittsburgh library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix TSIPOURAS02 accurately describes the title, author, publisher, and ISSN number of *Computer Methods and Programs in Biomedicine*. The ‘Full Text Availability’ field of this record visible on page 2 indicates this collection includes the May 2004 edition of *Computer Methods and Programs in Biomedicine* containing “Automatic Arrhythmia Detection Based on Time and Time-Frequency Analysis of Heart Rate Variability”.

20. In comparing Exhibit 1012 to Appendices TSIPOURAS01 and TSIPOURAS02, it is my determination that Exhibit 1012 is a true and correct copy of “Automatic Arrhythmia Detection Based on Time and Time-Frequency Analysis of Heart Rate Variability” by M.G. Tsipouras and D.I. Fotiadis as published in *Computer Methods and Programs in Biomedicine* May 2004.

21. The 008 field of each MARC record in Appendices TSIPOURAS01 and TSIPOURAS02 indicates the date of record creation. The 008 field of Appendix TSIPOURAS01 indicates the Carnegie-Mellon University library first acquired this journal as of March 24, 1998 and held the journal in perpetuity. The 008 field of Appendix TSIPOURAS02 indicates the University of Pittsburgh library first acquired this journal as of May 27, 2003 and held the journal in perpetuity. Considering this information, it is my determination that *Computer Methods and Programs in Biomedicine* May 2004 and therefore “Automatic Arrhythmia Detection Based on Time and Time-Frequency Analysis of Heart Rate Variability” by M.G. Tsiouras and D.I. Fotiadis was made available to the public shortly after its initial release in Spring 2004.

22. I have reviewed Exhibit 1016, “Development of the Irregular Pulse Detection Method in Daily Life Using Wearable Photoplethysmographic Sensor” by T. Suzuki, K. Kameyama and T. Tamura as published in *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009*.

23. Attached hereto as Appendix SUZUKI01 is a true and correct copy of the MARC record for *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009* as held by the Rochester Institute of Technology library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix SUZUKI01 accurately describes the title, author, publisher, and ISBN number of *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009*.

24. Attached hereto as Appendix SUZUKI02 is a true and correct copy of the MARC record for *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009* as held by the University of North Carolina library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix SUZUKI02 accurately describes the title, author, publisher, and ISBN number of *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009*.

25. In comparing Exhibit 1016 to Appendices SUZUKI01 and SUZUKI02, it is my determination that Exhibit 1016 is a true and correct copy of "Development of the Irregular Pulse Detection Method in Daily Life Using

Wearable Photoplethysmographic Sensor” by T. Suzuki, K. Kameyama and T. Tamura as published in *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009*.

26. The 008 field of each MARC record in Appendices SUZUKI01 and SUZUKI02 indicates the date of record creation. The 008 field of Appendix SUZUKI01 indicates the Rochester Institute of Technology library first acquired this proceeding as of August 12, 2013. The 008 field of Appendix SUZUKI02 indicates the University of North Carolina library first acquired this proceeding as of October 1, 2008. Based on my experience, a proceeding purchased months ahead of the conference is often given restricted access rights until a publisher-given date. Considering this information, it is my determination that *Annual International Conference of the IEEE Engineering in Medicine and Biology Society 2009* and therefore “Development of the Irregular Pulse Detection Method in Daily Life Using Wearable Photoplethysmographic Sensor” by T. Suzuki, K. Kameyama and T. Tamura was made available to the public upon the date of the conference in July 2009 and no later than August 12, 2013.

27. I have reviewed Exhibit 1033, "Heart Rate Variability: Measurement and Clinical Utility" by R.E. Kleiger, P.K. Stein and J.T. Bigger as published in *Annals of Noninvasive Electrocardiology* January 2005.

28. Attached hereto as Appendix KLEIGER01 is a true and correct copy of the MARC record for *Annals of Noninvasive Electrocardiology* as held by the University of Akron library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix KLEIGER01 accurately describes the title, author, publisher, and ISSN number of *Annals of Noninvasive Electrocardiology*. The 'Begin/End' field of this record visible on page 2 indicates this collection includes the January 2005 edition of *Annals of Noninvasive Electrocardiology* containing "Heart Rate Variability: Measurement and Clinical Utility".

29. Attached hereto as Appendix KLEIGER02 is a true and correct copy of the MARC record for *Annals of Noninvasive Electrocardiology* as held by the University of Pittsburgh library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix KLEIGER02 accurately describes the title, author, publisher, and ISSN number of *Annals of Noninvasive Electrocardiology*. The 'Full Text Availability' field of this record visible on page 2 indicates this collection

includes the January 2005 edition of *Annals of Noninvasive Electrocardiology* containing “Heart Rate Variability: Measurement and Clinical Utility”.

30. In comparing Exhibit 1033 to Appendices KLEIGER01 and KLEIGER02, it is my determination that Exhibit 1033 is a true and correct copy of “Heart Rate Variability: Measurement and Clinical Utility” by R.E. Kleiger, P.K. Stein and J.T. Bigger as published in *Annals of Noninvasive Electrocardiology* January 2005.

31. The 008 field of each MARC record in Appendices KLEIGER01 and KLEIGER02 indicates the date of record creation. The 008 field of Appendix KLEIGER01 indicates the University of Akron library first acquired this journal as of May 25, 1995 and held the journal in perpetuity. The 008 field of Appendix KLEIGER02 indicates the University of Pittsburgh library first acquired this journal as of May 27, 2003 and held the journal in perpetuity. Considering this information, it is my determination that *Annals of Noninvasive Electrocardiology* January 2005 and therefore “Heart Rate Variability: Measurement and Clinical Utility” by R.E. Kleiger, P.K. Stein and J.T. Bigger was made available to the public shortly after its initial release in Winter 2005.

32.I have reviewed Exhibit 1035, “Heart Rate and Exercise Intensity During Sports Activities” by J. Karvonen and T. Vuorimaa as published in *Sports Medicine* Vol 5 Issue 5.

33.Attached hereto as Appendix KARVONEN01 is a true and correct copy of the MARC record for *Sports Medicine* as held by the Penn State University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix KARVONEN01 accurately describes the title, author, publisher, and ISSN number of *Sports Medicine*. The ‘Availability’ field of this record visible on page 4 indicates this collection includes the Vol 5 Issue 5 edition of *Sports Medicine* containing “Heart Rate and Exercise Intensity During Sports Activities”.

34.Attached hereto as Appendix KARVONEN02 is a true and correct copy of the MARC record for *Sports Medicine* as held by the Kent State University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix KARVONEN02 accurately describes the title, author, publisher, and ISSN number of *Sports Medicine*. The ‘Lib. Has’ field of this record visible on page 3 indicates this collection

includes the Vol 5 Issue 5 edition of *Sports Medicine* containing “Heart Rate and Exercise Intensity During Sports Activities”.

35. In comparing Exhibit 1035 to Appendices KARVONEN01 and KARVONEN02, it is my determination that Exhibit 1035 is a true and correct copy of “Heart Rate and Exercise Intensity During Sports Activities” by J. Karvonen and T. Vuorimaa as published in *Sports Medicine* Vol 5 Issue 5.

36. The 008 field of each MARC record in Appendices KARVONEN01 and KARVONEN02 indicates the date of record creation. The 008 field of Appendix KARVONEN01 indicates the Penn State University library first acquired this journal as of September 17, 1984 and held the journal in perpetuity. The 008 field of Appendix KARVONEN02 indicates the Kent State University library first acquired this journal as of March 7, 1984 and held the journal in perpetuity. Considering this information, it is my determination that *Sports Medicine* Vol 5 Issue 5 and therefore “Heart Rate and Exercise Intensity During Sports Activities” by J. Karvonen and T. Vuorimaa was made available to the public shortly after its initial release in May 1988.

37. I have reviewed Exhibit 1039, “Support Vector Machine-Based Arrhythmia Classification Using Reduced Features of Heart Rate Variability Signal” by B.M. Asl, S.K. Setarehdan and M. Mohebbi as published in *Artificial Intelligence in Medicine* Sep. 2008.

38. Attached hereto as Appendix ASL01 is a true and correct copy of the MARC record for *Artificial Intelligence in Medicine* as held by the Youngstown State University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix ASL01 accurately describes the title, author, publisher, and ISSN number of *Artificial Intelligence in Medicine*. The ‘362’ field of this record visible on page 1 indicates this collection includes the Sep. 2008 edition of *Artificial Intelligence in Medicine* containing “Support Vector Machine-Based Arrhythmia Classification Using Reduced Features of Heart Rate Variability Signal”.

39. Attached hereto as Appendix ASL02 is a true and correct copy of the MARC record for *Artificial Intelligence in Medicine* as held by the University of Pittsburgh library. I secured this record myself from the library’s public

catalog. The MARC record contained within Appendix ASL02 accurately describes the title, author, publisher, and ISSN number of *Artificial Intelligence in Medicine*. The 'Full Text Availability' field of this record visible on page 2 indicates this collection includes the Sep. 2008 edition of *Artificial Intelligence in Medicine* containing "Support Vector Machine-Based Arrhythmia Classification Using Reduced Features of Heart Rate Variability Signal".

40. In comparing Exhibit 1039 to Appendices ASL01 and ASL02, it is my determination that Exhibit 1039 is a true and correct copy of "Support Vector Machine-Based Arrhythmia Classification Using Reduced Features of Heart Rate Variability Signal" by B.M. Asl, S.K. Setarehdan and M. Mohebbi as published in *Artificial Intelligence in Medicine* Sep. 2008.

41. The 008 field of each MARC record in Appendices ASL01 and ASL02 indicates the date of record creation. The 008 field of Appendix ASL01 indicates the Youngstown State University library first acquired this journal as of February 27, 1998 and held the journal in perpetuity. The 008 field of Appendix ASL02 indicates the University of Pittsburgh library first acquired this journal as of July 19, 1999 and held the journal in perpetuity. Considering this information, it is my determination that *Artificial*

Intelligence in Medicine Sep. 2008 and therefore “Support Vector Machine-Based Arrhythmia Classification Using Reduced Features of Heart Rate Variability Signal” by B.M. Asl, S.K. Setarehdan and M. Mohebbi was made available to the public shortly after its initial release in Autumn 2008.

42. I have reviewed Exhibit 1044, “Application Design for a Smart Watch with a High Resolution Display” by C. Narayanaswami and M. T. Raghunath as published in *Digest of Papers. Fourth International Symposium on Wearable Computers 2000*.

43. Attached hereto as Appendix NARAYANASWAMI01 is a true and correct copy of the MARC record for *Digest of Papers. Fourth International Symposium on Wearable Computers 2000* as held by the George Mason University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix NARAYANASWAMI01 accurately describes the title, author, publisher, and ISBN number of *Digest of Papers. Fourth International Symposium on Wearable Computers 2000*.

44. Attached hereto as Appendix NARAYANASWAMI02 is a true and correct copy of the MARC record for *Digest of Papers. Fourth International*

Symposium on Wearable Computers 2000 as held by the Johns Hopkins library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix NARAYANASWAMI02 accurately describes the title, author, publisher, and ISBN number of *Digest of Papers. Fourth International Symposium on Wearable Computers 2000*.

45. In comparing Exhibit 1044 to Appendices NARAYANASWAMI01 and NARAYANASWAMI02, it is my determination that Exhibit 1044 is a true and correct copy of "Application Design for a Smart Watch with a High Resolution Display" by C. Narayanaswami and M. T. Raghunath as published in *Digest of Papers. Fourth International Symposium on Wearable Computers 2000*.

46. The 008 field of each MARC record in Appendices NARAYANASWAMI01 and NARAYANASWAMI02 indicates the date of record creation. The 008 field of Appendix NARAYANASWAMI01 indicates the George Mason University library first acquired this proceeding as of August 30, 2001. The 008 field of Appendix NARAYANASWAMI02 indicates the Johns Hopkins library first acquired this proceeding as of November 10, 2000. Considering this information, it is my determination that *Digest of Papers. Fourth International Symposium on Wearable*

Computers 2000 and therefore “Application Design for a Smart Watch with a High Resolution Display” by C. Narayanaswami and M. T. Raghunath was made available to the public at least by November 2000 and no later than August 2001.

47. I have reviewed Exhibit 1045, “Dependence of Inertial Measurement of Distance of Accelerometer Noise” by Y.K. Thong, M.S. Woolf, J.A. Crowe, B.R. Hayes-Gill published in *Measurement Science and Technology* Vol 13 Issue 8.

48. Attached hereto as Appendix THONG01 is a true and correct copy of the MARC record for *Measurement Science and Technology* as held by the Carnegie-Mellon University library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix THONG01 accurately describes the title, author, publisher, and ISSN number of *Measurement Science and Technology*. The ‘Full Text Availability’ field of this record visible on page 2 indicates this collection includes the Vol 13 Issue 8 edition of *Measurement Science and Technology* containing “Dependence of Inertial Measurement of Distance of Accelerometer Noise”.

49. Attached hereto as Appendix THONG02 is a true and correct copy of the MARC record for *Measurement Science and Technology* as held by the University of Pittsburgh library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix THONG02 accurately describes the title, author, publisher, and ISSN number of *Measurement Science and Technology*. The "Full Text Availability" field of this record visible on page 2 indicates this collection includes the Vol 13 Issue 8 edition of *Measurement Science and Technology* containing "Dependence of Inertial Measurement of Distance of Accelerometer Noise".

50. In comparing Exhibit 1045 to Appendices THONG01 and THONG02, it is my determination that Exhibit 1045 is a true and correct copy of "Dependence of Inertial Measurement of Distance of Accelerometer Noise" by Y.K. Thong, M.S. Woolf, J.A. Crowe and B.R. Hayes-Gill as published in *Measurement Science and Technology* Vol 13 Issue 8.

51. The 008 field of each MARC record in Appendices THONG01 and THONG02 indicates the date of record creation. The 008 field of Appendix THONG01 indicates the Carnegie-Mellon University library first acquired this journal as of March 28, 1996 and held the journal in perpetuity. The 008

field of Appendix THONG02 indicates the University of Pittsburgh library first acquired this journal as of March 28, 1996 and held the journal in perpetuity. Considering this information, it is my determination that *Measurement Science and Technology* Vol 13 Issue 8 and therefore “Dependence of Inertial Measurement of Distance of Accelerometer Noise” by Y.K. Thong, M.S. Woolf, J.A. Crowe and B.R. Hayes-Gill was made available to the public shortly after its initial release in Summer 2002.

52.I have reviewed Exhibit 1047, a selection from *Black’s Medical Dictionary, 2005* by Harvey Marcovitch.

53.Attached hereto as Appendix MARCOVITCH01 is a true and correct copy of the MARC record for *Black’s Medical Dictionary* as held by the Serving Every Ohioan library. I secured this record myself from the library’s public catalog. The MARC record contained within Appendix MARCOVITCH01 accurately describes the title, author, publisher, and ISBN number of *Black’s Medical Dictionary*.

54.Attached hereto as Appendix MARCOVITCH02 is a true and correct copy of the MARC record for *Black’s Medical Dictionary* as held by the University of Pittsburgh library. I secured this record myself from the

library's public catalog. The MARC record contained within Appendix MARCOVITCH02 accurately describes the title, author, publisher, and ISBN number of *Black's Medical Dictionary*.

55. In comparing Exhibit 1047 to Appendices MARCOVITCH01 and MARCOVITCH02, it is my determination that Exhibit 1047 is a true and correct copy of *Black's Medical Dictionary* by Harvey Marcovitch.

56. The 008 field of each MARC record in Appendices MARCOVITCH01 and MARCOVITCH02 indicates the date of record creation. The 008 field of Appendix MARCOVITCH01 indicates the Serving Every Ohioan library first acquired this proceeding as of March 27, 2006. The 008 field of Appendix MARCOVITCH02 indicates the University of Pittsburgh library first acquired this proceeding as of May 23, 2006. Considering this information, it is my determination that *Black's Medical Dictionary, 2005* by Harvey Marcovitch was made available to the public at least by Spring 2006.

57. I have reviewed Exhibit 1049, "A Patient-Adaptable ECG Beat Classifier Using a Mixture of Experts Approach" by Yu Hen Hu, Surekha Palreddy

and Willis J. Tompkins as published in *IEEE Transactions on Biomedical Engineering* September 1997.

58. Attached hereto as Appendix HU01 is a true and correct copy of the MARC record for *IEEE Transactions on Biomedical Engineering* as held by the Carnegie Library of Pittsburgh. I secured this record myself from the library's public catalog. The MARC record contained within Appendix HU01 accurately describes the title, author, publisher, and ISSN number of *IEEE Transactions on Biomedical Engineering*. The 'Lib Has' field of this record visible on page 2 indicates this collection includes the September 1997 edition of *IEEE Transactions on Biomedical Engineering* containing "A Patient-Adaptable ECG Beat Classifier Using a Mixture of Experts Approach".

59. Attached hereto as Appendix HU02 is a true and correct copy of the MARC record for *IEEE Transactions on Biomedical Engineering* as held by the Cornell University library. I secured this record myself from the library's public catalog. The MARC record contained within Appendix HU02 accurately describes the title, author, publisher, and ISSN number of *IEEE Transactions on Biomedical Engineering*. The "863" field of this record visible on page 1 indicates this collection includes the September 1997

edition of *IEEE Transactions on Biomedical Engineering* containing “A Patient-Adaptable ECG Beat Classifier Using a Mixture of Experts Approach”.

60. In comparing Exhibit 1049 to Appendices HU01 and HU02, it is my determination that Exhibit 1049 is a true and correct copy of “A Patient-Adaptable ECG Beat Classifier Using a Mixture of Experts Approach” by Yu Hen Hu, Surekha Palreddy and Willis J. Tompkins as published in *IEEE Transactions on Biomedical Engineering* September 1997.

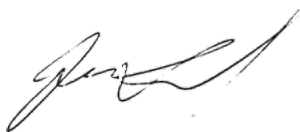

61. The 008 field of each MARC record in Appendices HU01 and HU02 indicates the date of record creation. The 008 field of Appendix HU01 indicates the Carnegie Library of Pittsburgh first acquired this journal as of November 1, 1975 and held the journal in perpetuity until 2009. The 008 field of Appendix HU02 indicates the Cornell University library first acquired this journal as of November 1, 1975 and held the journal in perpetuity until 2002. Considering this information, it is my determination that *IEEE Transactions on Biomedical Engineering* September 1997 and therefore “A Patient-Adaptable ECG Beat Classifier Using a Mixture of Experts Approach” by Yu Hen Hu, Surekha Palreddy and Willis J.

Tompkins was made available to the public shortly after its initial release in Fall 1997.

62.I have been retained on behalf of the Petitioner to provide assistance in the above-illustrated matter in establishing the authenticity and public availability of the documents discussed in this declaration. I am being compensated for my services in this matter at the rate of \$100.00 per hour plus reasonable expenses. My statements are objective, and my compensation does not depend on the outcome of this matter.

63.I declare under penalty of perjury that the foregoing is true and correct. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

Dated: 6/3/2021

Jacob Robert Munford

APPENDIX CV

Appendix A - Curriculum Vitae

Education

University of Wisconsin-Milwaukee - MS, Library & Information Science, 2009
Milwaukee, WI

- Coursework included cataloging, metadata, data analysis, library systems, management strategies and collection development.
- Specialized in library advocacy and management.

Grand Valley State University - BA, English Language & Literature, 2008
Allendale, MI

- Coursework included linguistics, documentation and literary analysis.
- Minor in political science with a focus in local-level economics and government.

Professional Experience

Researcher / Expert Witness, October 2017 – present

Freelance

Pittsburgh, Pennsylvania

- Material authentication and public accessibility determination. Declarations of authenticity and/or public accessibility provided upon research completion. Depositions provided on request.
- Research provided on topics of public library operations, material publication history, digital database services and legacy web resources.
- Past clients include Apple, Fish & Richardson, Erise IP, Baker Botts and other firms working in patent law.

Library Director, February 2013 - March 2015

Dowagiac District Library

Dowagiac, Michigan

- Executive administrator of the Dowagiac District Library. Located in Southwest Michigan, this library has a service area of 13,000, an annual

operating budget of over \$400,000 and total assets of approximately \$1,300,000.

- Developed careful budgeting guidelines to produce a 15% surplus during the 2013-2014 & 2014-2015 fiscal years.
- Using this budget surplus, oversaw significant library investments including the purchase of property for a future building site, demolition of existing buildings and building renovation projects on the current facility.
- Led the organization and digitization of the library's archival records.
- Served as the public representative for the library, developing business relationships with local school, museum and tribal government entities.
- Developed an objective-based analysis system for measuring library services - including a full collection analysis of the library's 50,000+ circulating items and their records.

November 2010 - January 2013

Librarian & Branch Manager, Anchorage Public Library

Anchorage, Alaska

- Headed the 2013 Anchorage Reads community reading campaign including event planning, staging public performances and creating marketing materials for mass distribution.
- Co-led the social media department of the library's marketing team, drafting social media guidelines, creating original content and instituting long-term planning via content calendars.
- Developed business relationships with The Boys & Girls Club, Anchorage School District and the US Army to establish summer reading programs for children.

June 2004 - September 2005, September 2006 - October 2013

Library Assistant, Hart Area Public Library

Hart, MI

- Responsible for verifying imported MARC records and original MARC cataloging for the local-level collection as well as the Michigan Electronic Library.
- Handled OCLC Worldcat interlibrary loan requests & fulfillment via ongoing communication with lending libraries.

Professional Involvement

Alaska Library Association - Anchorage Chapter

- Treasurer, 2012

Library Of Michigan

- Level VII Certification, 2008
- Level II Certification, 2013

Michigan Library Association Annual Conference 2014

- New Directors Conference Panel Member

Southwest Michigan Library Cooperative

- Represented the Dowagiac District Library, 2013-2015

Professional Development

Library Of Michigan Beginning Workshop, May 2008

Petoskey, MI

- Received training in cataloging, local history, collection management, children's literacy and reference service.

Public Library Association Intensive Library Management Training, October 2011

Nashville, TN

- Attended a five-day workshop focused on strategic planning, staff management, statistical analysis, collections and cataloging theory.

Alaska Library Association Annual Conference 2012 - Fairbanks, February 2012

Fairbanks, AK

- Attended seminars on EBSCO advanced search methods, budgeting, cataloging, database usage and marketing.

IEEE transactions on biomedical engineering

Format: Journal/Periodical
Language: English.
Published: [New York, Institute of Electrical and Electronics Engineers]
Subject: Biomedical engineering > Periodicals.
Medical electronics > Periodicals.
Medical physics > Periodicals.
Description: v.
ISSN: 0018-9294
Frequency: Monthly
Other contributor: IEEE Engineering in Medicine and Biology Group.
Other title: Transactions on biomedical engineering
Biomedical engineering
Continues: IEEE transactions on bio-medical electronics
Indexed By: Engineering abstracts annual 0360-8557
Engineering abstracts monthly 0013-7960
Notes: v. BME-11, no. 1/2- Jan./Apr. 1964-
Also available in an online version.
Issued by the Institute of Electrical and Electronics Engineers, Engineering in
Medicine and Biology Group (called 1964, Biomedical Engineering Group).

Availability

Online

Full text available through the HathiTrust
Emergency Temporary Access Service (ETAS).

Notes: Access available only for active Cornell students,
faculty, and permanent staff while regular library
operations are disrupted due to Covid-19 outbreak.
Simultaneous access is limited.

Information for users about temporary access

Description
viii, 814 p., 16 p. of plates : ill. (some col.) ; 25 cm.

Summary
"Black's Medical Dictionary is invaluable for home reference and all who need clear explanation of medical terms: nurses, health care professionals and students, health service management, actuaries, lawyers and journalists." "It contains: over 5000 authoritative definitions and descriptions of medical terms and concepts, with over 100 diagrams, drawings and colour illustrations; fully revised and updated specialist contributions on abortion, anaesthetics, assisted conception, breast screening, chronic fatigue syndrome (ME), clinical trials, evidence-based medicine, general practice, Gulf War syndrome, menopause, psychosomatic medicine; and helpful appendices on complementary and alternative medicine, common medical tests, health economics and professional organisations."--BOOK JACKET.

SUMMARY

Black's Medical Dictionary first appeared in 1906. That new century was to see health care in the United Kingdom evolve from a largely personal, paternalistic consultation between doctor and patient, based more on medical tradition than medical science, to a complex, science-based, team-oriented and managed service. The emergence of the informed patient was largely responsible for this (read more)

ABOUT THE AUTHOR

Harvey Marcovitch

Harvey Marcovitch was a consultant pediatrician for 25 years. Currently he is an associate editor for the British Medical Journal and syndication editor for the BMJ Publishing Group. He is vice-chair of the Committee on Publication Ethics and a member of the editorial policy committee of the Council of Science Editors (US).

APPENDIX CV

Appendix A - Curriculum Vitae

Education

University of Wisconsin-Milwaukee - MS, Library & Information Science, 2009
Milwaukee, WI

- Coursework included cataloging, metadata, data analysis, library systems, management strategies and collection development.
- Specialized in library advocacy and management.

Grand Valley State University - BA, English Language & Literature, 2008
Allendale, MI

- Coursework included linguistics, documentation and literary analysis.
- Minor in political science with a focus in local-level economics and government.

Professional Experience

Researcher / Expert Witness, October 2017 – present

Freelance

Pittsburgh, Pennsylvania

- Material authentication and public accessibility determination. Declarations of authenticity and/or public accessibility provided upon research completion. Depositions provided on request.
- Research provided on topics of public library operations, material publication history, digital database services and legacy web resources.
- Past clients include Apple, Fish & Richardson, Erise IP, Baker Botts and other firms working in patent law.

Library Director, February 2013 - March 2015

Dowagiac District Library

Dowagiac, Michigan

- Executive administrator of the Dowagiac District Library. Located in Southwest Michigan, this library has a service area of 13,000, an annual

operating budget of over \$400,000 and total assets of approximately \$1,300,000.

- Developed careful budgeting guidelines to produce a 15% surplus during the 2013-2014 & 2014-2015 fiscal years.
- Using this budget surplus, oversaw significant library investments including the purchase of property for a future building site, demolition of existing buildings and building renovation projects on the current facility.
- Led the organization and digitization of the library's archival records.
- Served as the public representative for the library, developing business relationships with local school, museum and tribal government entities.
- Developed an objective-based analysis system for measuring library services - including a full collection analysis of the library's 50,000+ circulating items and their records.

November 2010 - January 2013

Librarian & Branch Manager, Anchorage Public Library

Anchorage, Alaska

- Headed the 2013 Anchorage Reads community reading campaign including event planning, staging public performances and creating marketing materials for mass distribution.
- Co-led the social media department of the library's marketing team, drafting social media guidelines, creating original content and instituting long-term planning via content calendars.
- Developed business relationships with The Boys & Girls Club, Anchorage School District and the US Army to establish summer reading programs for children.

June 2004 - September 2005, September 2006 - October 2013

Library Assistant, Hart Area Public Library

Hart, MI

- Responsible for verifying imported MARC records and original MARC cataloging for the local-level collection as well as the Michigan Electronic Library.
- Handled OCLC Worldcat interlibrary loan requests & fulfillment via ongoing communication with lending libraries.

Professional Involvement

Alaska Library Association - Anchorage Chapter

- Treasurer, 2012

Library Of Michigan

- Level VII Certification, 2008
- Level II Certification, 2013

Michigan Library Association Annual Conference 2014

- New Directors Conference Panel Member

Southwest Michigan Library Cooperative

- Represented the Dowagiac District Library, 2013-2015

Professional Development

Library Of Michigan Beginning Workshop, May 2008

Petoskey, MI

- Received training in cataloging, local history, collection management, children's literacy and reference service.

Public Library Association Intensive Library Management Training, October 2011

Nashville, TN

- Attended a five-day workshop focused on strategic planning, staff management, statistical analysis, collections and cataloging theory.

Alaska Library Association Annual Conference 2012 - Fairbanks, February 2012

Fairbanks, AK

- Attended seminars on EBSCO advanced search methods, budgeting, cataloging, database usage and marketing.

IEEE transactions on biomedical engineering

Format: Journal/Periodical
Language: English.
Published: [New York, Institute of Electrical and Electronics Engineers]
Subject: Biomedical engineering > Periodicals.
Medical electronics > Periodicals.
Medical physics > Periodicals.
Description: v.
ISSN: 0018-9294
Frequency: Monthly
Other contributor: IEEE Engineering in Medicine and Biology Group.
Other title: Transactions on biomedical engineering
Biomedical engineering
Continues: IEEE transactions on bio-medical electronics
Indexed By: Engineering abstracts annual 0360-8557
Engineering abstracts monthly 0013-7960
Notes: v. BME-11, no. 1/2- Jan./Apr. 1964-
Also available in an online version.
Issued by the Institute of Electrical and Electronics Engineers, Engineering in
Medicine and Biology Group (called 1964, Biomedical Engineering Group).

Availability

Online

Full text available through the HathiTrust
Emergency Temporary Access Service (ETAS).

Notes: Access available only for active Cornell students,
faculty, and permanent staff while regular library
operations are disrupted due to Covid-19 outbreak.
Simultaneous access is limited.

Information for users about temporary access

Library Annex Hours/Map

TK5700 .I591 M4 Text

Library has:

v.BME 11-14 (1964-1967)

v.BME 16-49 (1969-2002)

Notes: Electronic only starting in 2003; paper
cancelled.

Type
Book

Description
viii, 814 p., 16 p. of plates : ill. (some col.) ; 25 cm.

Summary
"Black's Medical Dictionary is invaluable for home reference and all who need clear explanation of medical terms: nurses, health care professionals and students, health service management, actuaries, lawyers and journalists." "It contains: over 5000 authoritative definitions and descriptions of medical terms and concepts, with over 100 diagrams, drawings and colour illustrations; fully revised and updated specialist contributions on abortion, anaesthetics, assisted conception, breast screening, chronic fatigue syndrome (ME), clinical trials, evidence-based medicine, general practice, Gulf War syndrome, menopause, psychosomatic medicine; and helpful appendices on complementary and alternative medicine, common medical tests, health economics and professional organisations."--BOOK JACKET.

SUMMARY

Black's Medical Dictionary first appeared in 1906. That new century was to see health care in the United Kingdom evolve from a largely personal, paternalistic consultation between doctor and patient, based more on medical tradition than medical science, to a complex, science-based, team-oriented and managed service. The emergence of the informed patient was largely responsible for this (read more)

ABOUT THE AUTHOR

Harvey Marcovitch

Harvey Marcovitch was a consultant pediatrician for 25 years. Currently he is an associate editor for the British Medical Journal and syndication editor for the BMJ Publishing Group. He is vice-chair of the Committee on Publication Ethics and a member of the editorial policy committee of the Council of Science Editors (US).
