Hi Ron,

Thank you for reaching out. After consulting the calendar, the Court would like to set this trial to begin on Monday, June 13, 2022.

Please let me know if you have any questions or if that date would pose any issues for the parties.

Best,
Robby

CAUTION - EXTERNAL:

Hi Robby,

For your convenience, this email is further to our April 30, May 12, and May 25 emails to the Court.

Yesterday during the Markman hearing in the PV v. Intel 562 case, we mentioned that the parties would like to set a trial date for the PV v Intel 108 case; the parties had proposed a date in early June 2022. Rather than discussing a date at the hearing and potentially causing scheduling problems

Judge Albright asked that we reach out to you about setting a trial date for the 108 case. Please let us know what dates the Court may have available for trial. Thanks a lot.

Best regards,
Ron
