

Plaintiffs do not currently assert claims against the '132 or '859 patents based solely on the Court's operative Claim Construction Order (Dkt. No. 123, "Order"). Plaintiffs' objection to the Order is pending and Plaintiffs reserve the right to amend this election to assert claims against the '132 and '859 patents should the Court modify its constructions relevant to the '132 and '859 patents based on that objection.

Dated: October 25, 2021

Respectfully served,

/s/ Eric J. Klein
