DIRECT EXAMINATION

BY MR. GOSSE:

Q. With the preliminaries out of the way, good morning, Dr. Wolfe.

A. Good morning.

1 Q. I assume you've had your deposition taken before.

2 A. I have.

3 Q. Okay. Well, I'll keep the introductions short.

4 The thing I like to always say is that as the witness,
5 you're entitled to a clear question. So if you don't
6 understand something I've asked, just let me know and I'll
7 try to rephrase it in a way that makes more sense to you.

8 Is that okay?

9 A. That's fine.

10 Q. Okay. And on the flip side, I appreciate a clear
11 answer wherever possible, so I might follow up with you on
12 occasion, and I hope you don't mind that.

13 A. Okay.

14 Q. Just since we are remote, I'd like to confirm
15 with you that there's no one else in the room with you
16 there on your end.

17 A. There is no one else here.

18 Q. Okay. Are you in any -- are you in communication
19 with anyone else from where you sit right now aside from
20 the people on the video chat?

21 A. No.

22 Q. Okay. Do you have any communication devices in
23 the room with you right now?

24 A. There's lots of computers, but this is the only
25 one that's turned on.
