Pursuant to 37 C.F.R. § 42.70(a), 35 U.S.C. § 316(a)(10), and the Board's February 10, 2022 Scheduling Order (Paper 18), Patent Owner respectfully requests oral argument in this proceeding. Under the Scheduling Order, oral argument is currently scheduled for November 15, 2022.

### Request for Oral Argument

Patent Owner requests (without any intent to waive considerations of any issue not requested) to address the following issues at the oral hearing:

- Petitioner's assertion that claims 1-22 are unpatentable under 35 U.S.C. § 103 as obvious over Schulze in view of Gupta;
- Claim interpretations and any other subsidiary issues relevant to the issue above;
- Any motions to exclude evidence filed by Patent Owner or Petitioner;
- Any issues specified by Petitioner in its request for oral argument or raised by Petitioner during oral argument;
- Any other issues the Board deems necessary for issuing a final written decision.

Patent Owner respectfully requests that the Board schedule an in-person hearing for this proceeding. Patent Owner also respectfully requests that the Board make available an easel for presentation of demonstratives during the hearing.

Patent Owner will provide Petitioner and the Board with an electronic binder containing the demonstrative exhibits.

Patent Owner requests that the Board grant each side 45 minutes of oral argument. Patent Owner requests the ability to reserve a portion of its total time for presenting rebuttal arguments after Petitioner's presentation.

This Request is timely, being filed on September 20, 2022. (See Paper 18 at 12.)
