v.

SATCO PRODUCTS, INC.

*Counterclaim-Defendant.*

Civil Action No. 6:21-cv-00146-ADA

**JURY TRIAL DEMANDED**

**[PROPOSED] SCHEDULING ORDER**

On June 30, 2021, the Court conducted a conference in the above entitled and numbered case. All parties appeared through counsel. As a result of such hearing, and pursuant to Rule 16, Federal Rules of Civil Procedure, the Court **ORDERS** that the following schedule will govern deadlines up to and including the trial of this matter:

DATE	EVENT
06/25/2021	Plaintiff serves preliminary infringement contentions <sup>1</sup> in the form of a chart setting forth where in the accused product(s) each element of the asserted claim(s) are found. Plaintiff shall also identify the earliest priority date (i.e. the earliest date of invention) for each asserted claim and produce: (1) all documents evidencing conception and reduction to practice for each claimed invention, and (2) a copy of the file history for each patent in suit.
08/18/2021	Defendant serves preliminary invalidity contentions in the form of (1) a chart setting forth where in the prior art references each element of the asserted claim(s) are found, (2) an identification of any limitations the Defendant contends are indefinite or lack written description under section 112, and (3) an identification of any claims the Defendant contends are directed to ineligible subject matter under section 101. Defendant shall also produce (1) all prior art referenced in the invalidity contentions, and (2) technical documents, including software where applicable, sufficient to show the operation of the accused product(s).
09/02/2021	Parties exchange claim terms for construction.
09/13/2021	Parties exchange proposed claim constructions.
09/20/2021	Parties disclose extrinsic evidence. The parties shall disclose any extrinsic evidence, including the identity of any expert witness they may rely upon with respect to claim construction or indefiniteness. With respect to any expert identified, the parties shall identify the scope of the topics for the witness's expected testimony. <sup>2</sup> With respect to items of extrinsic evidence, the parties shall identify each such item by production number or produce a copy of any such item if not previously produced.
09/27/2021	Deadline to meet and confer to narrow terms in dispute and exchange revised list of terms/constructions.
10/4/2021	Parties each file an Opening claim construction brief for claim terms in patents they are accused of infringing, including any arguments that any claim terms are indefinite.
10/14/2021	Deadline for Motions for Inter-District Transfer

<sup>1</sup> The parties may amend preliminary infringement contentions and preliminary invalidity contentions without leave of court so long as counsel certifies that it undertook reasonable efforts to prepare its preliminary contentions and the amendment is based on material identified after those preliminary contentions were served, and should do so seasonably upon identifying any such material. Any amendment to add patent claims requires leave of court so that the Court can address any scheduling issues.

<sup>2</sup> Any party may utilize a rebuttal expert in response to a brief where expert testimony is relied upon by the other party.

10/25/2021	Parties each file Responsive claim construction brief.
11/8/2021	Parties each file Reply claim construction brief.
11/18/2021	Parties each file Sur-Reply claim construction brief.
11/22/2021	Parties submit Joint Claim Construction Statement. See General Issues Note #8 regarding providing copies of the briefing to the Court and the technical adviser (if appointed).
11/29/2021	Parties submit optional technical tutorials to the Court and technical adviser (if appointed). <sup>3</sup>
12/09/2021	Markman hearing at 9:00 a.m. This date is a placeholder and the Court may adjust this date as the Markman hearing approaches.
12/10/2021	Fact Discovery opens; deadline to serve Initial Disclosures per Rule 26(a).
01/20/2022	Deadline to add parties.
02/03/2022	Deadline to serve Final Infringement and Invalidity Contentions. After this date, leave of Court is required for any amendment to Infringement or Invalidity contentions. This deadline does not relieve the Parties of their obligation to seasonably amend if new information is identified after initial contentions.
03/31/2022	Deadline to amend pleadings. A motion is not required unless the amendment adds patents or patent claims. (Note: This includes amendments in response to a 12(c) motion.)
05/26/2022	Deadline for the first of two meet and confers to discuss significantly narrowing the number of claims asserted and prior art references at issue. Unless the parties agree to the narrowing, they are ordered to contact the Court's Law Clerk to arrange a teleconference with the Court to resolve the disputed issues.
06/24/2022	Close of Fact Discovery
07/14/2022	Opening Expert Reports
08/11/2022	Rebuttal Expert Reports
09/01/2022	Close of Expert Discovery

<sup>3</sup> The parties should contact the law clerk to request a Box link so that the party can directly upload the file to the Court's Box account.

09/08/2022	Deadline for the second of two meet and confer to discuss narrowing the number of claims asserted and prior art references at issue to triable limits. To the extent it helps the parties determine these limits, the parties are encouraged to contact the Court's Law Clerk for an estimate of the amount of trial time anticipated per side. The parties shall file a Joint Report within 5 business days regarding the results of the meet and confer.
09/15/2022	Dispositive motion deadline and Daubert motion deadline. See General Issues Note #8 regarding providing copies of the briefing to the Court and the technical adviser (if appointed).
09/29/2022	Serve Pretrial Disclosures (jury instructions, exhibits lists, witness lists, discovery and deposition designations).
10/13/2022	Serve objections to pretrial disclosures/rebuttal disclosures.
10/20/2022	Serve objections to rebuttal disclosures and File Motions <i>in-limine</i> .
10/27/2022	File Joint Pretrial Order and Pretrial Submissions (jury instructions, exhibits lists, witness lists, discovery and deposition designations); file oppositions to motions <i>in-limine</i> .
11/03/2022	File Notice of Request for Daily Transcript or Real Time Reporting. If a daily transcript or real time reporting of court proceedings is requested for trial, the party or parties making said request shall file a notice with the Court and e-mail the Court Reporter, Kristie Davis at <a href="mailto:kmdaviscsr@yahoo.com">kmdaviscsr@yahoo.com</a>  Deadline to meet and confer regarding remaining objections and disputes on motions <i>in limine</i> .
11/14/2022	File joint notice identifying remaining objections to pretrial disclosures and disputes on motions <i>in-limine</i> .
11/17/2022	Final Pretrial Conference. The Court expects to set this date at the conclusion of the Markman Hearing.
12/08/2022	Jury Selection/Trial. The Court expects to set this date at the conclusion of the Markman Hearing.

Signed this \_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
ALAN D. ALBRIGHT
