IPR2021-01493 (Patent 10,484,510 B2)

1 PROCEEDINGS

2 - - - - -

3 1:00 p.m.

4 JUDGE McSHANE: Good afternoon. We are here to conduct the
5 hearing in Code200 v. Bright Data. That's IPR2021-001492 and 001493,
6 which IPR2022-00861 and 00862 have been joined into. We're also going to
7 hear the cases Major Data UAB v. Bright Data -- those are IPR2022-00915
8 and 00916 -- at this hearing.

9 I'm Judge McShane. And Judges Giannetti, Cass, and Trock should be
10 visible to you. We are convening these cases in a single hearing at the
11 request of the parties because many of the issues overlap, and it will be more
12 efficient to proceed in this manner.

13 We have two separate Petitioners. The Petitioners have agreed to split
14 their argument time.

15 So can we have appearances, please? First, who do we have
16 representing Petitioners? Let's start with the Code200 Petitioners.

17 MR. TOLLIVER: Thank you, Your Honor. Craig Tolliver
18 representing the Code200 Petitioners in IPR2021-001492 and 001493.

19 JUDGE McSHANE: Thank you and welcome.

20 And who do we have for Major Data?

21 MR. HUANG: Yes, Your Honor. This is Liang Huang. I'm here with
22 my colleagues, Mr. Jason Bartlett and Mr. Wensheng Ma. We represent
23 Major Data in IPR2022-00915 and 00916.

24 JUDGE McSHANE: Thank you and welcome.

IPR2022-00915 (Patent 10,257,319 B2)
IPR2022-00916 (Patent 10,484,510 B2)
IPR2021-01492 (Patent 10,257,319 B2)
IPR2021-01493 (Patent 10,484,510 B2)

1 And who do we have for Patent Owner, please?

2 MR. DUNHAM: For Patent Owner, Your Honors, you have Tom
3 Dunham. And with me my colleagues, Bob Harkins and Elizabeth O'Brien.

4 JUDGE McSHANE: Thank you and welcome to you.

5 Just as a matter of housekeeping, we received an email this morning
6 from the Petitioners in both sets of cases. They wanted to withdraw some
7 motions to exclude that had been filed. The email indicated that the Patent
8 Owner did not object to the withdrawal of the motions.

9 Just to confirm, does Patent Owner agree to that?

10 MR. DUNHAM: Yes, Your Honor. Patent Owner agrees.

11 JUDGE McSHANE: Okay. Thank you.

12 And with that, the motions to exclude in all the cases are withdrawn.

13 So let me proceed with some general guidance. If during this
14 proceeding you have any technical problems or audio problems, please let us
15 know or contact the team members who provided you with the connection
16 information.

17 We have the entire record including the demonstratives. When
18 referring to the demonstratives, please refer to the slide numbers. It really
19 helps us follow along and it makes a much clearer record if you can do that.

20 The oral hearing order indicated that each side would have 60 minutes
21 to present its arguments, and, again, with the Petitioner splitting their time.
22 The order also noted that there are some portions of the record which appear
23 to contain confidential information.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
