

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MICRON TECHNOLOGY, INC.,
Petitioner

v.

VERVAIN, LLC,
Patent Owner

Case: IPR2021-01547
U.S. Patent No. 8,891,298

PATENT OWNER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. §42.70(a) and the Board’s Scheduling Order (Paper 14), Patent Owner Vervain, LLC (“Patent Owner”) respectfully requests an oral argument in the present *inter partes* review. Patent Owner requests, and without intent to waive consideration of any issue not requested, the opportunity to present oral argument on all issues raised in the papers pertaining to the instituted grounds, including:

- Grounds at issue in this proceeding;
- Any issue raised in any paper of record in this proceeding;
- Motion to exclude filed in this proceeding (if any); and
- Any issues raised by Petitioner in its request for oral argument;
- Rebuttal to Petitioner’s presentation on all issues, including the issues listed above;
- Any issues raised by the Board during the argument or for which the Board seeks clarification; and
- Any other issues the Board deems necessary for issuing a final written decision.

The Board previously scheduled the oral argument for January 12, 2023 (Paper 14 at 11), for this proceeding as well as for related proceedings (IPR2021-01548, IPR2021-01549, and IPR2021-1550). Patent Owner believes the parties should be

allocated 90 minutes per side to present arguments in a consolidated hearing for all four proceedings.

If the hearing is in-person, Patent Owner anticipates that five or fewer individuals will attend the oral argument on its behalf. Patent Owner respectfully requests the ability to use audio/visual equipment to display demonstratives or exhibits at the oral hearing, to the extent available at the time of the hearing.

Dated: November 25, 2022

Respectfully submitted,

/s/ Alan Whitehurst
