1   (Witness sworn.)

2   DAVID LIU,

3   called as a witness, having been first

4   duly sworn, was examined and testified

5   as follows:

6   EXAMINATION

7   BY MR. JAIRAM:

8   Q.   Good morning, Dr. Liu.

9   A.   Good morning.

10   Q.   Will you please state and spell

11   your full name for the record?

12   A.   Sure. I would be happy to. My

13   first name is David, D-A-V-I-D, and I also

14   have middle initial, which is Kuan-Yu,

15   spelled K-U-A-N hyphen Y-U, and last name is

16   L-I-U, Liu.

17   Q.   Dr. Liu, what is your work address?

18   A.   My work address is 42063 Benbow

19   Drive in Fremont, California, 94539.

20   Q.   What is your current occupation and

21   job title, please?

22   A.   I currently offer my time as an

23   expert witness and also do consulting work

24   and advisory work for various entities.

25   Q.   Before we begin, I want to remind

 1   you of some basic ground rules for this

 2   deposition. You may already know this, but I

 3   will just repeat this for the sake of

 4   completeness.

 5   You understand you have been placed

 6   under oath today, just as though you were in

 7   court?

 8   A.   Yes, I do.

 9   Q.   Do you understand that you're bound

10   to answer my questions truthfully today?

11   A.   Yes, I do.

12   Q.   If a question is unclear, please

13   let me know so that I may rephrase as

14   necessary. Otherwise, I will assume that you

15   understood my question. Okay?

16   A.   Sounds good.

17   Q.   Because your testimony is being

18   transcribed by the court reporter, do you

19   understand that you need to answer my

20   questions verbally instead of with gestures?

21   A.   Yes, and I will try my best.

22   Q.   Likewise, I'm going to try my best,

23   and I would ask that you do what you can so

24   that we can speak one at a time, to make the

25   court reporter's life easier. Does that

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.

fastcase
Smarter legal research.
