Counsel:

Patent Owner is authorized (but not required) to file a motion pursuant to 37 C.F.R. § 42.5 seeking an extension of time to Due Dates 1, 2, and 3 in accordance with the Scheduling Order (Paper 15). The motion shall be limited to 5 pages. Petitioner is authorized (but not required) to file a response to the motion limited to 5 pages within 3 days after filing of the motion.

The Board considers extending Due Dates to be matters that are best resolved by a stipulation between the parties and (strongly) encourages such a resolution here. Prior to filing the motion, counsel for the parties shall meet and confer again in an attempt to reach a stipulation regarding the Due Dates.

Your Honors:

Patent Owner, Sonos, Inc., requests a conference call with the Board regarding an extension of time to Due Dates 1, 2, and 3 currently set for July 7, Sept. 28, and Oct. 11, respectively. Patent Owner wishes to file a motion pursuant to 37 C.F.R. § 42.5 seeking to extend each of these deadlines by 14 days to accommodate the 4th of July holiday, the parties' "patent showdown" schedule in the

parallel district court action, which involves the patent at issue in the present IPR proceeding, and other work commitments. Counsel for Patent Owner has conferred with counsel for Petitioner, Google LLC, who has indicated that Petitioner would agree to a 4-day extension for each of Due Dates 1, 2, and 3 but opposes a longer extension.

The parties are available for a conference call tomorrow (6/22) between 10-11AM ET and Thursday (6/23) between 11AM-3PM ET.
