THE REPORTER: Good morning.
The attorneys participating in this deposition acknowledge that I am not physically present in the deposition room and that I will be reporting this deposition remotely.

They further acknowledge that in lieu of an oath administered in person, I will place the witness under penalty of perjury.

The parties and their counsel consent to this arrangement and waive any objections to this manner of reporting. Please indicate your agreement by stating your name and your agreement on the record.

MR. KUSHAN: Jeff Kushan from Sidley Austin. We agree.

MR. SCHWARTZ: Dan Schwartz from Nixon Peabody, we agree.

R A J E E V S U R A T I, called as a witness, having been first duly sworn by a Notary Public of the State of New York, was examined and testified as follows:

MR. KUSHAN: Thank you.

1 EXAMINATION

2 BY MR. KUSHAN:

3 Q. Dr. Surati, could you state
4 your name for the record.

5 A. My name is Rajeev Surati.

6 Q. And what is your current
7 position?

8 A. I am president of Skyline and
9 Nav AI, and I am also president of
10 Computation and Imaging.

11 Q. Have you been deposed before?

12 A. Yes, sir.

13 Q. How many times?

14 A. Somewhere between 20 and 30, or
15 maybe more than 30.

16 Q. So you're familiar with the
17 procedures used in depositions generally?

18 A. Generally I would say so.

19 Q. Okay, I'll just kind of go over
20 a few points. As you know, I'll be asking
21 you questions. Your counsel may raise
22 objections. Once the objection is
23 complete, you can proceed to answer my
24 question. The only time where you won't
25 respond to my question is if your counsel

1 directs you not to answer my question
2 because of a claim of privilege. And that
3 should be unusual.

4 If you have any questions about
5 my question, if you want me to recast it,
6 let me know. If there's anything you don't
7 understand about my question, let me know
8 and I'll try to give you a better question.

9 If at any point in this
10 process, if you need a break, just let me
11 know and we'll take the break as promptly
12 as we can at that moment. Obviously we'll
13 break if I have a question pending, but
14 just let me know when you need a break and
15 we can take the break.

16 Is there any reason you cannot
17 offer truthful testimony today?

18 A. There's no reason I cannot
19 offer truthful testimony today.

20 Q. Great. No medical issues that
21 would impair your ability to answer
22 questions truthfully and accurately today?

23 A. No, no medical issues.

24 Q. And you understand that you're
25 under oath or under affirmation in this

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
