Subject: IPR2022-000129, 00131 - Request to File Further Redacted PO Responses

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Good afternoon,

We represent Patent Owner in the above IPRs. We filed our Patent Owner Response on 8/17/2002 (attached Papers 14) in both the above case. We want to refile the same PO Response that we filed before but add further redactions to protect confidential information. Therefore, we would like the PTAB to withdraw what was filed and refile the further-redacted Responses without any further changes.

Can you we simply re-file the further-redacted Responses and have the PTAB withdraw the filings (Papers 14) made on 8/17?

Please advise. Thank you,
