Highlights

- **EYE DROPS FOR RED EYES:** LUMIFY redness reliever eye drops significantly reduce redness to help reveal your eyes' natural radiance. From the eye care experts at Bausch + Lomb, LUMIFY works in 1 minute & lasts up to 8 hours.
- **LUMIFY IS DIFFERENT:** LUMIFY eye drops are one of a kind. LUMIFY is the only over-the-counter drop that contains the active ingredient brimonidine, which works to selectively target redness, alleviating some of the potential side effects associated with other redness relievers, when used as directed.
- **FDA APPROVED:** LUMIFY contains no bleach or dyes and is FDA approved. LUMIFY eye drops significantly reduce redness to help eyes appear whiter, brighter, and more radiant. It's the #1 Eye Doctor recommended redness reliever (based on IQVIA survey)
