Drug Facts

Active ingredient

Oxymetazoline HCl 0.025%

Purpose

Redness reliever

Use

- for the relief of redness of the eye due to minor eye irritations

Warnings

Ask a doctor before use if you have narrow angle glaucoma.

When using this product

- overuse may cause more eye redness
- remove contact lenses before using
- do not use if this solution changes color or becomes cloudy
- do not touch tip of container to any surface to avoid contamination

- replace cap after each use

Stop use and ask a doctor if

- you feel eye pain
- changes in vision occur
- redness or irritation of the eye lasts
- condition worsens or lasts more than 72 hours

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 6 years of age and over: put 1 or 2 drops in the affected eye(s)
- this may be repeated as needed every 6 hours or as directed by a doctor
- children under 6 years of age: ask a doctor

Other information

- store at 15° to 25°C (59° to 77°F)

Inactive ingredients

benzalkonium chloride, boric acid, edetate disodium, purified water, sodium borate, and sodium chloride
