MUSE Creative Awards

We're proud to announce our win of TWO 2019 Muse Creative Awards. LUMIFY™ redness reliever eye drops won for both Social Media Campaign and Product or Service Branding. The Muse Creative Awards were created by the International Awards Associate (IAA) in 2015 to highlight the creative professionals and their work that inspire others to greater heights.

At Helen & Gertrude, we believe in beautiful work, but more importantly in effective work. Creative for creative's sake is, after all, a waste of your media spend.

Part creative agency. Part media agency. 100% backed by data.
