Dear Ms. King,

I am counsel of record for Patent Owner, Regeneron, in these proceedings and write to advise the Panel that, based on the contents of the Petitions in IPR2022-00298, IPR2022-00301, IPR2022-00257, IPR2022-00258, and the representations of Petitioners Apotex and Celltrion in their respective motions for joinder, Patent Owner agrees to waive its POPR in those IPRs.

Please let us know if the Panel has any questions or requires any clarification.

With best regards,
Deborah

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board,

I am counsel for Petitioner Apotex, Inc. for recently filed IPR proceedings, IPR2022-00298, and IPR2022-00301. In those IPRs, we filed Motions for joinder to *Mylan v. Regeneron*, IPR2021-00880 and IPR2021-00881 ("the Mylan IPRs") on December 9, 2021.

I am writing pursuant to the requirements in the Trial Practice Guide to arrange a conference call with the panel, petitioner, and patent owner of the first proceeding within five business days of filing the motion so that the panel can timely manage the proceedings.

On this email, we have copied counsel for Celltrion as they also filed IPR Petitions and Motions for Joinder to the same Mylan IPRs.

Apotex notes that Mylan does not oppose joinder of either Apotex or Celltrion in either proceeding.

Counsel for all such parties can be available for a phone call during the following windows (all times

in ET):

- December 17th from 11:00-1:00 PM and 2-3:00 PM;
- December 21st from 4-5:00 PM.

If there is another time the Board prefers, Petitioner will work with the other parties to accommodate the Board's schedule.

Regards,

Terry
