3. Procedural and evidentiary issues raised, *e.g.*, in Objections to Evidence.

4. Any additional issues on which the Board seeks information or clarification.

Petitioner respectfully asks the Board for clarity regarding the location of oral argument. With respect to IPR2022-00202, oral argument is presently scheduled for February 17, 2023 in Alexandria, Virginia. *See* IPR2022-00202, Paper 10 at 6, 11. With respect to IPR2022-00291, oral argument is presently scheduled for the same day (February 17, 2023) before the same panel in Denver, Colorado. *See* IPR2022-00291, Paper 11 at 6, 11.

Petitioner requests, and Patent Owner agrees, that each party be allowed a total of sixty (60) minutes for its argument. Petitioner may reserve a portion of its time for rebuttal.

Petitioner further requests the use of audio-visual equipment to assist its arguments and to display its demonstrative exhibits. The Board has indicated that oral argument will be conducted in person. Paper 11. Accordingly, Petitioner requests a computer connectable projector, an ELMO, and a screen. If instead the Board decides oral argument will be conducted by remote videoconferencing, Petitioner requests permission to use video-conferencing software to allow the presentation of demonstratives.
