A Creative Environment
Children and Adults
play, learn, work, live

1. Integral fixed facade of thin laminated panels on honeycomb structure
2. Facing panels of (normal) rigid honeycomb with sliding sliding door
3. Integral lounge (chair)
4. Tables and drawers: storage areas which can be cut into honeycomb matrix either with, under, bed, and/or over lounge
5. Distinct space: pull-out plywood desk
6. Plywood cabinet with space for computer, shelves, toys... The honeycomb structure is attached to this cabinet
7. Plywood suspended table for shoes, bags, etc.
