To Director of the United States Patent and Trademark Office, Katherine K. Vidal:

Patent Owner, CPC Technologies Pty, Ltd., respectfully seeks rehearing of the Director's denial of Review in IPR2022-00602. Since that denial, the same Panel issued its Final Written Decision in *ASSA ABLOY AB, et al. v. CPC Patent Technologies PTY, Ltd.*, IPR2022-01006, reviewing same patent at issue in the instant proceeding. In that decision, the Panel found that finger presses do not correspond to the claimed "biometric" information. In the instant proceeding, the Panel found that finger presses *do* correspond to such information, making the two decisions inconsistent. As Patent Owner in this matter unsuccessfully sought review of the Panel's decision on that issue, it now seeks rehearing on that issue. The Request has been filed and assigned Paper No. 36. A copy is attached.

Respectfully submitted,
Darlene Ghavimi
