Dear Counsel,

It has come to our attention that the parties may not have received a notification e-mail from the P-TACTS system when the paper denying Director Review of the Final Written Decision was issued in the above-referenced case. We are sending this e-mail to ensure that all parties are aware of this paper denying Director Review.

If a party chooses to file an appeal, we encourage the party to file its Notice of Appeal within the time frame set under 37 C.F.R. § 90.3(b) or to file a request for extension under the more lenient standard of 37 C.F.R. § 90.3(c)(1)(i) within the same time frame.

Regards,

Patent Trial & Appeal Board
U.S. Patent & Trademark Office
