Subject: IPR2022-00683: Request for Extension

Dear Honorable Board,

On June 6, Petitioner and Patent Owner filed a Joint Motion to Stay All Deadlines and Notice of Settlement in the parallel district court actions between the parties involving the challenged patents. That motion notified the Court that all matters in controversy between the parties have been settled, in principle, and requested that the Court stay all deadlines.

In accordance with that joint motion to stay, the parties jointly request that the Board grant an extension until July 1, 2022, for Patent Owner's Preliminary Response in IPR2022-00683 (US Patent 7,825,537). The parties anticipate that motions to terminate the IPRs will be filed in due course. The parties can make themselves available for a conference call, should the Board find it helpful.

Respectfully submitted,
Brett E. Cooper
Counsel for Patent Owner
