**CAUTION:** This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Your Honors:

In response to Petitioners' Petition for Rehearing in IPR2022-00853, Patent Owner respectfully requests leave to file a 15-page response, which Patent Owner proposes to file on or before December 2nd.

Petitioners have indicated that they will consent to this request only if they are permitted to file a 5-page reply a week thereafter. Patent Owner does not agree to a reply and submits that no further

briefing is necessary beyond providing Patent Owner an opportunity to respond. However, if the Board grants a reply, Patent Owner respectfully requests a sur-reply, which Petitioners do not agree is necessary given that Petitioners are effectively the moving party.

Should the Board wish to have a call, both parties are available Monday, November 28th after 3 PM ET, or Tuesday, November 29th 12-1 PM ET. The parties will, of course, be happy to look for other times if those dates and times are not convenient for the Board.

Respectfully submitted,
