1 TIM WILLIAMS, PH.D.,
2 Being first duly sworn, was examined and testified
3 as follows:

4 EXAMINATION

5 BY MR. TOLLIVER:

6 Q Good morning, Dr. Williams.

7 A Good morning.

8 Q My name is Craig Tolliver, and I
9 represent the petitioners in the IPR numbers
10 2021-01492 and 01493. And those are -- the IPRs
11 that you might know is the -- you know, the code
12 200, the IPRs concerning the 319 and 510 patents.

13 And also attending is Jason
14 Bartlett, and he -- well, Jason, I'll let you
15 introduce yourself.

16 MR. BARTLETT: I'm representing the
17 Major Data petitioners in the IPRs having the
18 numbers 915 and 916.

19 THE DEPONENT: All right. Nice to
20 meet you.

21 MR. BARTLETT: Nice to meet you.

22 BY MR. TOLLIVER:

23 Q Dr. Williams, do you understand that
24 you are here today to provide deposition testimony
25 with respect to all four of those IPRs?

1 A Yes.

2 Q Okay. And sir, the reason that
3 we're doing this is rather than subject you to, you
4 know, four separate depositions, because of some
5 overlap that's involved in these IPRs, we decided
6 that we could really just do it in one sitting.

7 Does that make sense?

8 A Sounds good.

9 Q Okay. Do you recall submitting a
10 declaration in the two code 200 IPRs concerning the
11 319 and 510 patents?

12 A I do, yes.

13 Q Would you agree with me that the
14 declarations that you submitted in the 915 and 916
15 IPRs, the Major Data IPRs concerning the same
16 patents, would you agree those declarations are
17 substantially identical, for lack of a better word?

18 A Yes, they are.

19 Q Okay. And actually, would you
20 agree, sir, that your declarations, even between
21 the two patents -- so your declaration regarding
22 the 319 patent IPR and your declaration concerning
23 the 512 patent IPR, that those declarations are
24 also quite similar?

25 Would you agree with that?

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
