Subject: [EXT] RE: IPR2021-01492; -01493; IPR2022-00861; -00862; -00915; -00916 -- Initial Conference Call with the Board

Dear Board:

IPR2022-00861 and IPR2022-00862 Petitioner Code200 understands that Patent Owner has reached a settlement with IPR2021-01492 and IPR2021-01493 Petitioner NetNut and that Patent Owner and NetNut may soon or have sought permission to file a Motion to Terminate. Petitioner Code200 has not settled with Patent Owner and does not join in any Motion to Terminate. Accordingly, to the extent the Board

grants a Motion to Terminate in IPR2021-01492 and IPR2021-01493, in view of the related IPR2022-00861 and IPR2022-00862 Petitions and accompanying Motions for Joinder filed before such motions and that remain pending, Petitioner Code200 respectfully requests that any termination be as to Petitioner NetNut and the Board “exercise the discretion afforded under 35 U.S.C. § 317(a) to decline, at this time, to terminate these proceedings with respect to Patent Owner.” See IPR2015-00314 (Paper 20) at 3. The Board may then vacate the existing scheduling orders and “revisit scheduling for these proceedings after decisions on the joinder motions are made in the related proceedings.” *Id.*

Petitioner Code200 will make itself available for a conference call to discuss at the Board’s convenience.

Regards,

George T. “Jorde” Scott
