- **Accessory developers** who wish to take responsibility for MFi accessory certification requirements. After License execution, you can work with another MFi Licensee who will manufacture the accessory on your company's behalf. To view the list of MFi authorized manufacturers, click here to execute an online NDA.
- **Accessory manufacturers** who wish to manufacture their own MFi accessories. Any manufacturers who intend to manufacture MFi accessories or procure MFi components must order and complete an MFi System Review to verify that their inventory management and financial reporting systems meet program requirements.
- **Contract manufacturers (CM)/ODM** who wish to develop, manufacture, or perform sub-assembly for MFi accessories on behalf of others. Any manufacturers who intend to manufacture MFi accessories or procure MFi components must order and complete an MFi System Review to verify that their inventory management and financial reporting systems meet program requirements.
- **Brand owners** who wish to take responsibility for MFi accessory certification requirements or directly track the progress of accessory certification for MFi accessories that will bear their brands.
- **Technology providers** who wish to provide products or services (e.g., chipsets, design services, software authentication services) to other MFi Licensees.
