Mobile Access for Hotels

Allow your hotel guests to breeze by front desk check-in lines with Mobile Access. Setting a new standard in hotel stay convenience, Mobile Access transforms guest devices into digital keys for both easy and secure access to guestrooms, building entrances, elevators, spa rooms and much, much more.
Mobile Access - Contactless check-in

Prepare your hotel for the new normal

With Mobile Access by ASSA ABLOY Global Solutions, provide your guests with an alternative to visiting the front desk by using their mobile devices to check-in from safe distances. Also able to use their own devices as a secure digital key throughout your hotel, guests using Mobile Access not only experience enhanced convenience but will also welcome the ability to reduce their contact with potential surface area risks.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
