Re: *Bausch Health Ireland Limited et al. v. MSN Laboratories Private Ltd. et al.*,  
2:21-cv-10057-SRC-JSA

Dear Judge Allen:

This firm, along with Merchant & Gould P.C., represents Defendants MSN Laboratories Ltd. and MSN Pharmaceuticals Inc. (“MSN”) in the above-referenced matter. Defendants request an amendment to the discovery schedule, and Plaintiffs consent to Defendants’ request.

As set forth in the table on the following page, an extension of approximately three months is proposed. As the Court is aware, a separate action involving the same patents is pending in the District of New Jersey, with docket number 21-cv-10403, wherein a motion to dismiss has been filed. Depending on the outcome of that motion, an additional three months in the preliminary case schedule should aid in coordinating with that case’s schedule, if necessary. Moreover, in the interest of conserving judicial resources, the parties believe it will be more efficient to proceed through the Local Patent Rule disclosures at a later time. We respectfully request that, if the Court approves of these modifications, it “so order” this letter on the docket.

We thank Your Honor for your courtesies in this matter.
