CIVIL ACTION NO. 2:19-CV-00395-JRG

**ORDER**

Before the Court is the Supplemental Claim Construction Order (the “Supplemental Order”) of Magistrate Judge Payne dated August 6, 2021. (Dkt. No. 453). Plaintiff Bright Data Ltd. (“Bright Data”) has filed Corrected Objections to Magistrate Judge Payne’s Claim Construction Order (the “Objections”). (Dkt. No. 461).

After considering the reasoning provided in the Supplemental Order, the underlying claim construction briefing, Bright Data’s Objections, and Defendants Teso LT, UAB, Oxysales, UAB, and Metacluster LT, UAB’s Response to Bright Data’s Corrected Objections to Magistrate Judge Payne’s Claim Construction Order (Dkt. No. 472), the Court agrees with the conclusions reached within the Supplemental Order and finds Bright Data’s arguments unpersuasive. Accordingly, the Court **OVERRULES** Bright Data’s Objections.

**So ORDERED and SIGNED this 21st day of September, 2021.**
