**PETITIONER'S REQUEST FOR ORAL ARGUMENT**

## Petitioner's Request for Oral Argument

Pursuant to 37 C.F.R. 42.70(a), Petitioner, The Walt Disney Company, Disney Streaming Services LLC, and Hulu LLC, requests oral argument on the issues set forth below at a place and time set by the Board. Oral argument is presently scheduled for November 13, 2023 (Paper No. 21, "Revised Scheduling Order").

Without waiving any issue not specifically identified herein, Petitioner specifies at least the following issues to be presented by Petitioner at oral argument:

1. Proper construction of the relevant claims of the '636 Patent;
2. Arguments and evidence that claims 1-12 are obvious in view of Carmel alone and Carmel in view of Shteyn.
3. Rebuttal to Patent Owner's arguments and evidence on all matters including the issues listed above.

Petitioner requests 45 minutes for argument time for a total of 1 hour and 30 minutes for the session. To the extent the Board schedules this hearing to last more or less than the total hearing time requested by Petitioner, Petitioner requests to be given half the total length.

The issues in this proceeding and the IPR2022-01228 proceeding substantially overlap and therefore Petitioner requests a single hearing to address the issues in both proceedings. Petitioner also submitted an email to the Board on September 26,

## Petitioner's Request for Oral Argument

2023 requesting to consolidate both hearings to a single hearing and currently waiting for approval from the Board.

Petitioner requests the oral hearing to be held in person, Petitioner requests the ability to use a computer, projector, and screen to display demonstratives and exhibits. Petitioner also requests that two attorneys at Petitioner's counsel's table be allowed to use computers at the hearing (in addition to counsel making the argument using his or her computer to show the demonstratives), to avoid the need for the parties to bring entire paper copies of the record into the hearing room and to facilitate efficient answering of panel questions.

If this oral hearing cannot be held in person, Petitioner requests that the hearing take place via video conference. Petitioner requests the ability to present demonstratives and exhibits to the Board and the ability to have Petitioner's counsel attend the video conference from separate locations.

Respectfully submitted,

Date: September 26, 2023
