DECLARATION OF JEREMIAH S. HELM IN SUPPORT OF *PRO HAC VICE* MOTION

IPR2022-01299

Apple Inc. v. Masimo Corporation

- I, Jeremiah S. Helm, Ph.D., declare and state as follows:
- 1. I am a partner in the law firm of Knobbe, Martens, Olson & Bear, LLP. Lead counsel for Patent Owner Masimo Corporation ("Masimo") in this *inter partes* review proceeding is Irfan A. Lateef, who is a partner in the law firm of Knobbe, Martens, Olson & Bear, LLP. Mr. Lateef is registered to practice before the United States Patent and Trademark Office and holds Registration No. 51,922. With respect to this proceeding, I will work closely with Mr. Lateef.
- 2. I have over 12 years of experience as a patent litigator and have represented clients in numerous patent litigation cases in various United States District Courts and the Court of Appeals for the Federal Circuit. In addition, I spent approximately five years in the Office of the Solicitor at the United States Patent and Trademark Office, defending decisions by the Patent Office before the United States Court of Appeals for the Federal Circuit and the federal district courts.
- 3. I am comfortable and experienced with technically and legally complex matters, such as will be present in this proceeding. In particular, I am experienced with technically and legally complex matters in the field of chemistry and biotechnology. In addition to my experience with technically and legally complex patent matters, I hold a Ph.D. degree in Chemistry from Princeton

University. I also served as a law clerk to the Honorable Kimberly A. Moore, Chief Judge of the United States Court of Appeals for the Federal Circuit.

- 4. I am familiar with U.S. Patent 10,945,648 and with the legal subject matter, technical subject matter, and cited art discussed in Petitioner Apple Inc.'s ("Apple") request for *inter partes* review of U.S. Patent 10,945,648, which forms the basis for this proceeding. In view of my legal experience, technical background, and familiarity with the issues in the present matter, Masimo has requested my services in the present matter. Denial of my appearance in this case would create an undue burden on Patent Owner Masimo.
- I am a member in good standing of the Bar of the State of California.
   I am admitted to practice before the United States Court of Appeals for the Federal Circuit.
- 6. I have never been suspended or disbarred from practice before any court or administrative body.
- 7. I have never had a court or administrative body deny my application for admission to practice.
- 8. I have never been sanctioned or cited for contempt by any court or administrative body.
