Re: *XR Communications LLC dba Vivato Technologies v. Google LLC*, Case
No. 6:21-cv-00625 (W.D. Tex.)

Dear Reza:

We write regarding our on-going litigation, in which XR Communications LLC dba Vivato Technologies asserts U.S. Patent Nos. 10,715,235 (the “’235 patent”) against Google LLC.

Google is planning to submit a petition for *inter partes* review (IPR2022-01362) challenging claims 8-14 of the ’235 patent. By this letter, Google stipulates that, unless the Board denies or later vacates institution of this petition, Google will not seek resolution of invalidity in this litigation based on the specific grounds asserted in this petition.

Sincerely,

Nicholas Lee
