Dear Honorable Board,

In connection with IPR2022-01423, the parties are in settlement discussions and believe that the matters in controversy are likely to be settled. To facilitate the completion of those discussions, the parties jointly request an extension of 21 days, until December 14, 2022, of the deadline for submission of Patent Owner's Preliminary Response. The parties anticipate that authorization to file motions to withdraw or terminate the IPR will be requested in due course. The parties can make themselves available for a conference call, should the Board find it helpful.

Respectfully submitted,  
Ben Haber  
Counsel for Patent Owner, Servier Pharmaceuticals LLC
