Dear Board,

We write regarding two issues related to the above-referenced proceedings:

1. With respect to Exhibit 2005 in IPR2023-00059 and IPR2023-00060, Patent Owner filed a second

copy of the POPR instead of the Frigon Declaration. Patent Owner requests authorization from the Board to replace Exhibit 2005 with the correct document. Petitioner does not oppose Patent Owner's request.

2. Petitioner requests authorization from the Board to file a 7-page reply to the POPRs in each of the above-referenced proceedings to address Patent Owner's arguments and swear-behind evidence that certain of the asserted references are not prior art and arguments that the Petition did not set forth proper claim constructions. Patent Owner does not oppose the requests, if the Board authorizes Patent Owner to file a sur-reply of the same length.

The parties are available at the following times should the Board request a conference call:

1. Tuesday (2/28): 3-5 ET
2. Wednesday (3/1): 10-5 ET

Thank you.
