I. INTRODUCTION

Based on LGE’s review of publicly available information and an analysis of Defendants’ accused systems and methods, LGE presents these Infringement Contentions. In making these disclosures and preliminary infringement contentions, LGE notes that it has not yet received any discovery from any Defendant regarding their accused products, or their methods and systems. Accordingly, all information contained in this Disclosure and accompanying Exhibits is the result of publicly available information and independent examination and analysis of the accused instrumentalities of each Defendant. Certain information about the operation of such accused instrumentalities is not available without engaging in further discovery.

Accordingly, LGE reserves the right to modify, amend, and/or supplement any of its Disclosures of Asserted Claims and Infringement Contentions to the extent permitted by the Federal Rules of Civil Procedure, the Local Patent Rules of this Court, and any Order of this Court. LGE specifically reserves the right to modify, amend, and/or supplement any of its identification of asserted claims and/or infringement contentions due not only to discovery obtained from any Defendants, but also discovery obtained from any third parties, voluntary disclosures by any Defendants or third parties, any of Defendants’ contentions and pleadings/briefs/declarations (and exhibits thereto), the issuance of a claim construction ruling by the Court, or for any other reason permitted under the Federal Rules of Civil Procedure and/or the Local Patent Rules of this Court and/or any Order of this Court.

II. LOCAL PATENT RULE 3-1 DISCLOSURES AND CONTENTIONS

A. CLAIMS INFRINGED (Local Patent Rule 3-1(a))

Pursuant to Local Patent Rule 3-1(a), LGE identifies the following patents (hereinafter, the “Patents-in-Suit”) and the following claims of the Patents-in-Suit (hereinafter, “Asserted Claims”) that the Defendants have infringed and continue to infringe:
