JOINT CLAIM CONSTRUCTION CHART

Pursuant to Paragraph 7 of the Scheduling Order (D.I. 13), Plaintiffs Celgene Corporation and Celgene International Sàrl (collectively, “Plaintiffs”) and Accord Healthcare Inc. (“Defendant”) hereby file this Joint Claim Construction Chart for U.S. Patent Number 8,846,628 (the “’628 patent”). The agreed-upon claim construction is attached as Exhibit A, and the disputed claim construction is attached as Exhibit B. The ’628 patent is attached as Exhibit C. The excerpts from the prosecution histories cited herein are attached as Exhibit D. In addition to the disputed terms listed below, Defendant contends that several terms of the ’628 patent are indefinite; Plaintiffs disagree with Defendant’s contention, but the parties are in agreement that indefiniteness in this case is best addressed at trial, after the Court has had the benefit of the presentation of expert testimony.
