CISCO SYSTEMS, INC. AND JUNIPER NETWORKS, INC.,<sup>1</sup>  
Petitioners,

v.

ORCKIT CORPORATION,  
Patent Owner.

---

Case IPR2023-00554  
U.S. Patent No. 10,652,111

---

**PATENT OWNER'S REQUEST FOR ORAL ARGUMENT**

---

<sup>1</sup> IPR2024-00037 (Juniper Networks, Inc) has been joined with this proceeding.

Pursuant to 37 C.F.R. § 42.70 and the Board's September 20, 2023 Scheduling Order (Paper 9), Orckit Corporation ("Patent Owner") respectfully requests oral argument, currently scheduled for July 9, 2024. Patent Owner requests a remote hearing.

**Reservation Of Time:** Patent Owner requests an opportunity to reserve sur-rebuttal time to respond to rebuttal arguments by Petitioner, and an opportunity to provide a closing statement. *Compare, e.g., Mangrove Partners Master Fund., Ltd. et al. v. VirnetX Inc.*, IPR2015-01046/01047, Paper 60, 2 (PTAB June 2, 2016) ("Both parties may reserve some of their argument time for rebuttal, and Patent Owner will be afforded an opportunity to provide a closing statement along with any rebuttal.")

**Issues For Argument:** Without waiving any issue not specifically identified, Patent Owner specifies at least the following issues it may discuss at argument:

- Issues related to the instituted grounds, including, for example, claim construction, anticipation, obviousness, motivation to combine, and reasonable expectation of success;
- Any other relevant issues raised in papers filed in this proceeding, including issues raised in papers yet to be filed; and

- Any other issues that the Board deems necessary for issuing a Final Written Decision, including any questions, rebuttals, or arguments that may arise during the oral argument.

The Board's advance guidance is respectfully solicited as to any questions the Board specifically wishes to be addressed.

**Time For Argument:** Patent Owner respectfully requests 60 minutes of total argument time per side. Patent Owner believes that this is a sufficient amount of time to discuss all issues in this case.

**Equipment:** Patent Owner requests teleconference software (e.g., Zoom, Teams, etc.) with the ability to display possible demonstratives and exhibits during the remote hearing. Patent Owner requests a real time audio and/or video stream accessible to members of the public.

Respectfully submitted,

/Stephen McBride/
