125:12	And then if you remember we can open detail page up of		
125:13	the movie page, there are a lot of extra information we		
125:14	don't really need to know when we start to, you know,		
125:15	compose this homepage. For example, would be the		
125:16	description of the movie. We don't really show that in		
125:17	the homepage, but we only show that in detail page.		
125:18	So in the homepage, we don't fetch this		
125:19	information.
