CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board,

On May 10, 2023, we received a "Notice of Filing Date Accorded to Petition" for IPR2023-00757 indicating a defect in the exhibit list and that Petitioner must "enter an updated exhibit list to include exhibit number 1023." Paper 5 at 2. It has come to our attention that Exhibit 1023 was filed in error in IPR2023-00757. That exhibit was meant for and filed in IPR2023-00758 and is stamped for that IPR. Accordingly, the exhibit list in the Petition of IPR2023-00757 is correct.

We immediately contacted the Board on May 10th and spoke to a supervising paralegal to discuss options for resolving the defect. We were informed to email the Board explaining the situation and request that the exhibit be expunged. We understand that the Board will take up this issue when it is empaneled.

Accordingly, we respectfully request that Exhibit 1023 in IPR2023-00757 be expunged. Expunging Exhibit 1023 of IPR2023-00757 will correct the defect.

Regards,

J. Christopher Moulder
