I N D E X

1   A.   Yes.

2   Q.   And we know, we know today that when you use the EDTA, it

3   does improve stability; is that right?

4   A.   Well, I believe that the EDTA -- what EDTA is doing in

5   the formula is -- is unknown, but it does appear to improve

6   the stability.

7   Q.   Okay. All right. And just let's look at Amidon

8   Demonstrative Number 3. I'm going back to that Wells article

9   or chapter that you and I talked about earlier this morning,

10   Doctor.

11   A.   Uh-huh.

12   Q.   And this is another table from Wells, which is in the

13   prior art for purposes of this case, and it says at the top

14   "Simple strategies for improving drug stability." And it

15   says, for one of them of the degradation processes talks about

16   is oxidation, and one of four that it mentions is the strategy

17   is to chelate metal ions, and it specifically calls out EDTA;

18   is that right?

19   A.   Uh-huh, yes. There's several approaches, but that's one

20   of them.

21   Q.   And then for demonstrative -- well, and this is something

22   that you see throughout the literature is reference to EDTA's

23   use if there's some metal ion effect; isn't that right?

24   A.   That's one of the uses of EDTA, yes.

25   Q.   Okay. That's a common use.

DOCKET ALARM

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS
Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS
Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS
Sync your system to PACER to automate legal marketing.

fastcase®
Smarter legal research.
