And That's A Wrap! BlizzCon® 2013 Has Officially Come to an End!

Phenteo 11/9/2013 227

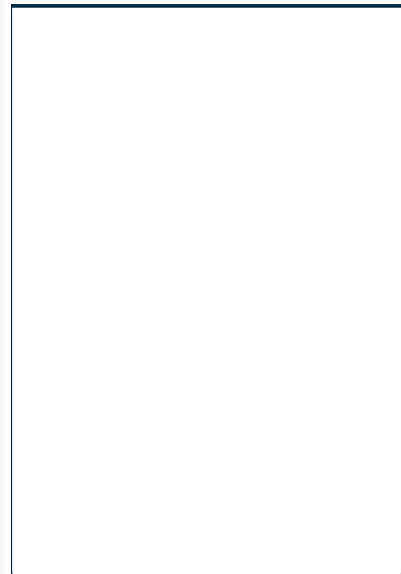

Thank you to everyone who attended BlizzCon and to our viewers at home! We had an amazing time with everyone this year, and we hope you enjoyed everything we had for you--we announced Warlords of Draenor, gave you a sneak peek at the Warcraft movie, showed you the cinematic trailer and gameplay of Heroes of the Storm, unveiled more information about Hearthstone, and we were there with you every step of the way. Epic cosplay, tabletop gaming, capsule toys, sOs winning the StarCraft II WCS Global Finals, PvP, Warlords of Draenor UI improvements, and more!

Our second day at BlizzCon was filled with great panels, eSports, and events that culminated with Blink-182 officially rocking the house! Thank you for making this year's BlizzCon awesome--we hope everyone had a great time.
