**FOURTH AMENDED
POST-SETTLEMENT CONFERENCE
CASE MANAGEMENT ORDER**

The parties' Joint Motions for Leave to Submit Supplemental Expert Reports and to Amend Case Schedules (Civil Action No. 16-538, Doc. 122; Civil Action No. 16-541, Doc. 133) are **GRANTED**.

However, the Court notes that this is the fourth post-settlement conference request for an extension of deadlines. The Court does not anticipate any additional delays in the litigation of this matter.

Accordingly, leave is granted for submission of Plaintiff's supplemental expert reports, which were served on the Western Digital Defendants on May 17, 2018. In addition, several deadlines in the prior Case Management Orders are extended as follows:

1. Each party shall make its initial expert witness disclosures, as required under Rule 26, on the issues on which the opposing party bears the burden of proof no later than

July 12, 2018.

2. Rebuttal expert witness disclosures are to be made no later than **July 26, 2018.**

3. Expert depositions, if any, shall begin no later than **July 30, 2018** and be completed by **August 31, 2018.** To the extent an expert's schedule does not permit a deposition during the deposition period, the parties are allowed to hold the deposition on a mutually agreed upon date outside of the deposition period so long as this does not affect any other deadlines and requirements of this Order.

4. Motions for summary judgment with evidentiary material and accompanying brief(s), if appropriate, shall be filed by **September 27, 2018,** and responses to such motions shall be filed on or before **October 25, 2018.** Reply and surreply briefs shall not be filed unless leave of Court is sought and approved.

IT IS SO ORDERED.
