QUESTIONS PRESENTED

A. Did the trial court err when the district court judge and the reviewing judge refused to disqualify themselves because of their membership in the defendant, the Washington State Bar Association?

B. Could the appellant's first amendment claim survive a motion on the pleadings if an unbiased judge had been assigned?

C. Did the defendants actions of retaliating against Block for resigning from the WSBA violate her constitutional right to disassociate as recently announced in *Janus v. American Federation of State, County, and Municipal Employees, Council 31*, No. 16-1466, 585 U.S. ___ (2018)?
