RESPONSE

Applicant files the following response to the Office Action mailed April 27, 2004 and would respectfully show as follows:

Applicant has concurrently filed herewith a Notice of Appeal and Request for Reconsideration. If the Request for Reconsideration is denied and pending appeal, Applicant alternatively requests amendment of the Application to seek registration on the Supplemental Register.

On December 15, 2003, Applicant submitted a substitute specimen along with a Declaration supporting its use prior to the expiration of the time allowed for filing a Statement of Use in response to the Examining Attorney's request of June 13, 2003. A second copy of the Declaration and the substitute specimen is included herewith.

The appeal fee is included with the Notice of Appeal; however, Examining Attorney is authorized to charge any underpayment of fees in connection with this application, or deposit any overpayment, to Deposit Account No. 50-2225.

DECLARATION OF JOHN BRYANT

1. This Declaration is made in support of the Response to Office Action attached hereto. I understand that this Declaration is made under penalty of perjury and that any false statements will invalidate the application.
2. Bryant Consultants, Inc. ("Applicant") has been in the business of geotechnical engineering for almost twenty (20) years. I am and have been the only president of the company.
3. I coined the term "GEOFORENSICS" for use in association with the services of using a now-patented process for aiding structural engineers in locating leaks and subsurface anomalies which would hinder building construction projects.
4. Three other patent applications have been filed covering the process.
5. Applicant is the only entity known to offer its patented services under the mark "GEOFORENSICS".
