Dear Sir:

Applicant requests that the identification of goods in the instant application be amended to exclude "analgesics" and "anti-inflammatory pharmaceutical preparations".

Therefore, please delete the current identification of goods in its entirety and replace with the following:

"Pharmaceutical preparations, namely, preparations for the treatment of infectious diseases, oncological preparations, preparations for the treatment and symptoms of diabetes, preparations for the treatment of ophthalmological conditions and diseases, preparations for the treatment of central nervous systems diseases and disorders, preparations for the treatment of Parkinson's disease, gynecological preparations, preparations for the treatment of cardiovascular diseases and conditions, hormonal preparations and preparations for the treatment of migraines".

This application was published on February 26, 2002, and Applicant submits the amendment to exclude goods does not necessitate republication and requests the Notice of Allowance be issued in due course.

Dear Ms. Brown:

The above-referenced application has been approved for publication but no date has been given. In the course of routine status checks, we discovered one error that should be corrected before publication.

The dates of first use for Class 35 application have not been added to the record. The date of first use should be October 1, 1999 and the date of first use in commerce should be October 1, 1999.

We appreciate your assistance in correcting the record prior to publication.

Respectfully submitted,

James R. Robinson
