Potential opposer believes that extraordinary circumstances are established for this request by:

- Opposer is currently conducting business in Guyana, South America with their medical equipment and mining operations. Protest and riots erupted October 11th, 2012. The civil unrest effectively impacted the only corridor in the country that links to where opposer has mining establishment and continues to severely affect continued efforts that are underway to get food ration and supplies to camp where Opposer#s workers are based. Continued efforts are underway and we respectfully appreciate that our request for a 60-day extension will be favorably considered.

The time within which to file a notice of opposition is set to expire on 10/17/2012. iCloud Inc. respectfully requests that the time period within which to file an opposition be extended until 12/16/2012.

Respectfully submitted,
